Summary of Legislation: This bill requires a school corporation, including a charter school, to expend a proportionate share of its state special education grant on providing special education services to parentally placed nonpublic school students with disabilities.

Effective Date: Upon passage; January 1, 2011 (retroactive).

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures: (Revised) The bill could redirect school corporation expenditures if they currently spend less than the proportionate share of its state special education grant on grants to parentally placed nonpublic school students with disabilities. The current grant is \$8,350 for a student with a severe disability, \$2,265 for a student with a moderate disability, \$533 for a student with a communication disability, \$533 for a homebound student, and \$2,750 for a preschool student with a disability. The provision does not apply to charter schools.
